

## 2017 Host SCRIPT for Audition

### **SCRIPT 10** Strike of AA 4 and *It Feels Good When You Sing a Song*.

**HOST X:** I wonder if any of our audience remember Statler and Waldorf, the 2 grumpy old muppets who were always heckling from the balcony in the Muppet Show.

**HOST Y:** The Muppet show was 60 years ago. So none of them would remember.

**HOST X:** Well I feel a bit like them sitting up here, except that we haven't done any heckling.

**HOST Y:** We could start now.

**HOST X:** Maybe not. But you know, the Muppets are still going strong, at the movies, on TV and especially in Sesame Street, which I'm sure almost everyone here has seen.

And our next song comes from Sesame Street. *It Feels Good When You Sing a Song*.

**HOST Y:** Does it?

**HOST X:** You know it does. And so do the choir. Here they are with *It Feels Good When You Sing a Song*

*It Feels Good When You Sing a Song.*
